◆ ANALYST NOTE

Sub-\$200K starter inventory at 1,056 sqft is the Pool A pattern: sellers anchored at 2022 valuations, cut at +90, +180, +270 day intervals. Five reductions over 379 DOM signals seller capitulation, not price discovery. Original list was 38% above comparable closed sales in Lakeaire Sec II (\$110-130K range). Treat current price as floor, not bargain — building condition and lot drive the discount.
